

SignoraWare®

Preserve freshness..... Live Fresh

Our Exquisite Steel & Copper Products Range

Company Profile

Signoraware took the first steps of its long journey with the foundation of Signora appliances in the year 1981 with a dream of making quality kitchenware and appliances affordable for the Indian masses. Around four decades later, Signoraware is now an industry leader with an innovative product range in Kitchen Appliances, Serveware, Tableware, Bakeware, Lunch and Outdoor range, Crockery and Food Storage solutions. The brand runs under the umbrella of M/s Techno plastic industries, Signora group of companies.

The mantra that has sustained the growth of Signoraware over four decades, is its constant evolution with time. All our products are manufactured using tirelessly updated state-of-the-art technology and highly sophisticated machinery with the use of superior quality, Food Grade European raw materials. We have always laid utmost importance to providing high quality, durable and user-friendly designs at affordable prices to our consumers.

Signoraware boasts of a complete kitchen range with a product range encompassing over 100 Tri-Ply products, 50 Non-Stick & Hard Anodised products, 400 BPA Free Virgin Plastic products, around 900 Stainless Steel products, 200 plus Borosilicate Glass products and over 40 Pure Copper Products. Signoraware is a national favorite in its category and is rapidly expanding its wings globally. It has withstood the challenges posed by home grown as well as international brands and has retained its standing not just within the country but beyond too, gaining huge popularity around the globe. Other than B2C, Signoraware also has tie-ups with multiple Corporate Clients.

Signoraware Group has vast experience in the category of Kitchen Appliances as well. Signora Appliances was founded by Shri Y. K. Bansal, an electrical engineer who decided to follow his passion. Signora Appliances has been manufacturing and marketing Food Processors, Mixer Grinders, Juicers, Choppers etc.

Salient features of the company:

- An ISO9001 Certified Company
- Well-equipped Research and Development department with an adroit technical team
- Huge infrastructure with Warehouse capacity of over 7,50,000 sq.ft.
- Modern Tool Room facilities with latest C.N.C machines and CAD/CAM software
- Our quality is at par with any international brand in the category
- Highly professional Marketing Team headed and guided by the young and dynamic second generation entrepreneurs of the family
- High-quality European Food Grade raw materials
- Designed for the best user experiences

Signoraware derives its motivation for keeping going by providing the best of products, quality and services to its customers. It aims for richer customer satisfaction through design evolution and revels in the joy it brings to millions of customers in India and abroad.
